Eighth Grade Families are Invited to

All About Tam Night

January 27th, 2010

7:00- 9:00 pm

Located in Student Center

This is an evening program sponsored by the Tam High PTSA where you will learn about the classes, programs, and activities that make **Tam** the exceptional high school experience that it is. There will be students, faculty, administrators and parents representing the many varied campus groups stationed throughout the Student Center. Students and parents will have an opportunity during the evening to ask our Principal and Assistant Principals any questions they might have about our school.

Also, in early January, incoming freshmen and their parents will be receiving a letter from the Counselors regarding 8th grade scheduling for the following year.

We look forward to meeting you,

The Team at Tam

Committed to the Success of All Students
